Tornado Mini Speaker 5W

DESCRIPTION:

The little brother of the family – but don't let its size fool you. Despite its compact form, this 5W speaker delivers impressively clear and powerful sound, making it the perfect companion for everyday life. Battery working time: ca 4 h.
Its sleek design is complemented by generous branding areas. Choose between elegant laser engraving or a stunning full-color doming badge for maximum impact. For even greater brand exposure, pair the speaker with a custom-designed full-color lanyard – a smart detail that keeps your brand visible wherever it goes.
Small in size. Big on impression. Premium down to the smallest detail.
