2in1 Square Spin cable 240W

DESCRIPTION:

A charging cable that perfectly combines design, performance, and smart functionality.
This square-shaped cable features an integrated retractable mechanism that lets you pull from one end – and the other side smoothly follows, preventing tangles. No tugging, no mess – just seamless charging.
Delivers up to 240W fast charging in a compact, modern housing with magnetic connectors that stay in place when not in use. Type-C connectors in both ends.
Available in black or white.
This cable can transfer data.
