

3in1 Lanyard cable

DESCRIPTION:

Finally a useful and stylish logoband with unique 3in1 charge cable. Works for both iPhone and devices with Micro USB and now also Type C, all built in a very clever solution. A perfect and affordable product for the fair or as a giveaway. With digital printing, the band can be colored and printed in any color on the inside and the outside. Also possible to print on the plastic cap. Practical hook for eg nameplate or entrance card included. Forget the traditional logobands that often end up in the trash. Your logobands provide a guaranteed added value for the receiver.
