

Lanyard Exclusive100W Cable

DESCRIPTION:

More than just a charging cable – this is a premium accessory. Crafted with an exclusive woven finish and thoughtful design, it feels as much like a fashion accessory as it does a piece of technology. Designed to function as both an elegant lanyard and a practical phone holder, it keeps your smartphone close at hand wherever you go. With an impressive **100W charging capacity** and USB-C to USB-C connectivity, it delivers fast and reliable charging for laptops, smartphones, tablets and other compatible devices.

The entire surface can be customized with full-color printing, providing maximum brand exposure. Available from just 100 pieces, it combines functionality, design and premium quality in a way few accessories can.

Smart to wear. Powerful to charge. Premium down to the smallest detail.
