LifeTag Dual Luggage Tag

DESCRIPTION:

Discover the perfect combination of design and technology with our premium PU leather luggage tag – custom-made to fit our own Lifetag™ Dual tracker that is included in the price.
This smart luggage tag not only lets you track your bags in real time, but also includes a discreet name card slot for your personal details – just in case.
Made from durable, soft-touch PU leather, it's built to handle the rigors of travel while keeping your belongings stylishly protected.
Insert your Lifetag™ Dual, write your contact details, and enjoy peace of mind wherever you go.
