

MagBoost Wireless Powerbank 5000mAh

DESCRIPTION:

A slim, wireless magnetic powerbank that combines power, design, and functionality at an outstanding price. With 20W PD fast charging and 15W wireless charging, it keeps your devices powered quickly and effortlessly — at home, on the go, or in everyday use.

Its slim design makes it easy to carry, while the full-surface digital print area is ideal for customized design and branding. Built-in overcharge protection combined with fire-resistant materials makes it a reliable workhorse you can trust day after day.

Fast, safe, and stylish — a powerbank designed for both performance and expression.
