

Magsafe Card Holder

DESCRIPTION:

An elegant and functional card holder with a built-in magnet, designed to attach securely to all MagSafe-compatible phones.

Made from premium PU leather that looks and feels refined, with a smooth surface perfect for custom logo embossing.

Thanks to its ultra-strong magnetic grip, the card holder stays firmly in place—whether you're commuting, working, or traveling.

A perfect everyday accessory, ideal for parties or anytime you want a discreet and stylish wallet close at hand.
