OneTag Dual Exclusive

DESCRIPTION:

Experience the freedom of always knowing where your most valuable belongings are. **OneTag Dual Exclusive** is our most premium tracker – designed with quality, feel and performance in mind.
With support for **worldwide tracking** through Apple and Android's global networks, you can easily keep track of keys, bags, wallets and other valuables – with no additional apps required.
The sleek design, premium weight and exceptional build quality make OneTag Dual Exclusive much more than just a tracker. Its smart built-in magnet allows it to be securely attached to metal surfaces, while the exclusive keyring makes it the perfect companion to carry wherever you go.
With audible alerts, privacy protection and anti-stalking features, you get a safe and reliable solution for both everyday life and travel.
IP67 water resistant (Includes one CR2032 battery per OneTag Dual Exclusive)
