

Qi 15W FutureMultiCharger

DESCRIPTION:

Foldable charging pad with two charging plates for your iPhone and Apple Watch. It provides a 15W charging speed for iPhone and 2.5W for your Apple Watch. The built-in cable and included adapters for Lightning, Type-C, and micro USB are found in one of the three plates. The charging pad is partially made from 20% recycled ABS, making it more environmentally friendly. Considering that the charging plates can be easily folded into one, the product is perfectly sized to fit in your pocket.
