

# Sonic Touch brush heads

## DESCRIPTION:

Give your teeth the best care with our extra brush heads - four per pack. No matter how impressive our electric toothbrush is, the brush head needs to be replaced periodically for optimal cleaning. Our bristles are created by world-leading manufacturer Pedex, known for their exceptional quality. They are not only gentle on your gums, but also incredibly effective at keeping your teeth clean. The smart technology with color indicator means that you always know when it's time to change, when the bristles start to turn white, it's time for a new head. No more guessing, just pure and simple dental care. [Buy our Sonic Touch Toothbrush](#)
