# Sydney USB 3.0

**DESCRIPTION:**

Elegant USB flash drive crafted from metal, designed to not only provide an extra touch of exclusivity but also exude a premium appearance. Featuring 3.0 speed downloads, with a USB-A connector on one side and the modern Type-C connector on the other. A simple twist function allows for effortless switching between the two different connectors. Available in either 16GB or 32GB capacities, with the option for logo engraving on the USB drive.
