

# Thermos mug CremaExtensa

## DESCRIPTION:

White thermos mug with a black lid, capable of holding 380ml, crafted from a combination of metal and plastic. Keeps beverages warm for up to 5 hours while on the go. The lid of the thermos is leak-proof, ensuring both heat retention and beverage containment within the thermos. The thermos is dishwasher-safe and LFBG-compliant. (LFBG-compliant means that all tests have been conducted to ensure the absence of any harmful toxic substances, both in contact with the human body and with food.) The product is 25% Recycled Stainless steel.
