

Thermos mug CremaOfficinaNero

DESCRIPTION:

Thermos mug in matte black color. The mug has a capacity of 300ml, featuring a double-wall construction and vacuum insulation to keep heat trapped inside the cup without releasing it. Powder-coated for durability, the thermos mug is leak-proof. Both the mug and the lid are dishwasher-safe for easy cleaning between uses. Ideal for use in the car, while traveling, or even in the office. 3D print / brail print from 100pcs (LFBG-compliant means that all tests have been conducted to ensure the absence of any harmful toxic substances, both in contact with the human body and with food.) The product is 60% Recycled Stainless steel.
