Travel adapter Set + 240W Square Cable Type C

DESCRIPTION:

USB-C with a full 65W PD output. Charge your laptop, phone, and tablet faster—and travel lighter—now updated with a 240W charging cable for ultra-fast, safe charging. A complete travel kit that includes a tangle-free charging cable. Naturally, all products feature the logo for a cohesive set. Our ultra-compact GaN charger delivers powerful performance in a pocket-friendly size. With interchangeable plugs for the UK, US, China, and EU, it is a must-have for any travel bag. Seamless compatibility: MacBook, iPad, iPhone (USB-PD), Samsung Galaxy (PPS), Lenovo, HP, and more. Truly global travel: Swap the plug—charge wherever you are. **USB-C up to 65W** (20V/3.25A) – fast-charges most USB-C laptops (such as MacBook, Asus, HP, etc.) as well as tablets and phones. **240W charging cable**-tangle-free charging cable with a built-in chip for safer charging. **GaN technology** – more power, less heat, slim design. **Multi-protection** – against overcurrent, overvoltage, and overheating. **TÜV GS certified** – tested safety you can trust.
