

# Travel adapter with interchangeable plugs

## DESCRIPTION:

**USB-C with a full 65W of PD speed.** Charge your laptop, phone, and tablet faster — travel lighter. Our ultra-compact GaN charger delivers powerful performance in a pocket-friendly size. With interchangeable plugs for **UK/US/CN/EU**, it's a must-have in every travel bag.

**Hassle-free compatibility:** MacBook, iPad, iPhone (USB-PD), Samsung Galaxy (PPS), Lenovo, HP, and more.

**Truly global travel:** swap the plug—charge wherever you are.

- **USB-C up to 65W (20V/3.25A)** — fast charges most USB-C laptops like MacBook, Asus, HP, all tablets, and phones
- **GaN technology** — more power, less heat, slimmer design
- **Multi-protection** — safeguards against overcurrent, overvoltage, and overheating
- **TÜV GS certified** — independently tested safety you can trust
