

VibePods 1,0 with own design case

DESCRIPTION:

The perfect combination of high-quality earbuds and a custom-designed case – all in one product. With this package, you'll receive our exceptional VibePods 1.0 along with the opportunity to design your own unique case at no extra cost. The earbuds deliver an outstanding audio experience, while the customizable case allows your creativity to shine. Equipped with a 180mAh battery, the VibePods let you enjoy music and calls without interruption due to charging. This product is an excellent choice for promoting your brand or business. All prices are individually set based on the chosen design.
