We take no responsibility in errors not corrected by customer in the artwork.

Refer to PANTONE numbers for colour reference.
Pantone swatch C/CP (e.g 295C).
PANTONE max 90% accuracy.
C is the actual Pantone coated.
The CP version is a CMYK approx of the Pantone coated

Observe that colour appears different on screen and in print. The colours might also be affected by external influences, such as: sun, heat etc.

There will be a few mm difference on art work around the edges due to moveable material as it is textile.
