We take no responsibility in errors not corrected by customer in the artwork. Refer to PANTONE numbers for correct colours. PANTONE max 90% accuracy. Observe that colour appears different on screen and prints. The colours might also be affected by external influences, such as: sun, heat etc. **There will be a few mm difference on art work around the edges due to moveable material as it is textile. On dark colours there may be some marks due to dust that can't be avoided.**
