— No text outside this line

— 350x300x3mm

— Bleed 5mm

We take no responsibility in errors not corrected by customer in the artwork.

Refer to PANTONE numbers for colour reference.  
Pantone swatch C/CP (e.g 295C).  
PANTONE max 90% accuracy.  
C is the actual Pantone coated.  
The CP version is a CMYK approx of the Pantone coated

Observe that colour appears different on screen and in print. The colours might also be affected by external influences, such as: sun, heat etc.

There will be a few mm difference from artwork and printed mousepad around the edges due to moveable material as it is textile.

The paper we use to transfer the print is FSC.
